Wicca Elemental Magic: A Guide to the Elements, Witchcraft, and Magic Spells

By Lisa Chamberlain

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Everything You Need to Know about Wicca, Witchcraft, and Magic Even in today s scientific world of logic and reason, most of us can t escape the feeling that there is more to the Universe than meets the eye - a world beyond the physical world in which we live. Many of us still carry with us superstitions, a belief that a specific action or object can positively influence the outcome of certain events. You might not realize it, but superstitions stem from the underlying properties of the energy that makes up our Universe. This energy is something that ancient civilizations were well aware of, but has seemingly been lost in today s technologically-driven world. For thousands of years, our ancestors believed that the Elements - Earth, Air, Fire, and Water - were the building blocks of the Universe, and their inherent properties and energies could be directed to manifest a particular outcome. In other words, the Elements are an integral component of Witchcraft and Magic, as practiced by some of the most revered members...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
