

The Poe Shadow

By Pearl, Matthew.

Random House. 1 Paperback(s), 2007. soft. Book Condition: New. Baltimore 1849: Edgar Allan Poe has been buried in an unmarked grave. The public, the press, and Poe's own family readily accept the report that he was a second-rate writer who met a disgraceful end as a drunkard. The exception is a young lawyer named Quentin Clark, an admirer of the writer, who puts his own reputation at risk in a quest to find the truth behind Poe's mysterious end. In this "meticulously researched and detailed discussion of the events surrounding Poe's death" (Washington Post Book World), the author of *The Dante Club* opens anew this persistent literary enigma, with characters that easily could have been Poe's inspirations. "Thick with intrigue and thicker still with carefully researched details . [the author] doesn't just disinter Poe's story; he disinters the language of Poe's time." NYTBR 401.
