Reviews

These types of book is the greatest ebook readily available. I was able to comprehended every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

THE 10TH OF AUGUST

AuthorHouse. Paperback. Book Condition: New. Paperback. 308 pages. Dimensions: 9.1in. x 6.1in. x 0.8in. Its 1919 and the 10th year of August (Augie) Krugers life. Those two facts clash head-on to produce a mystery-adventure story in The 10th of August, the third and final book in what might be called a reverse trilogy of the Augie series of novels. For August Hans Kruger, 1919 proves to be an unusually exciting year for a variety of reasons, not the least of which is the Black Sox Scandal, which results from a fixed World Series between the Chicago White Sox and the Cincinnati Reds of that year. Two gamblers, with black satchels, arrive in Jackson Junction from Chicago . . . as does a hired killer from New York. Augie has a dream that tells him there's 10,000 in those satchels. The race is on for him to find those satchels, with help from cousin Willie and friends Piggy and Ruthie, who are all members of a childhood club. Pig Reardon, division police captain for the Michigan Central Railroad, and two local crime reporters will do almost anything to get their hands on those satchels as well. The club suddenly needs to find a new meeting place and chooses an abandoned underground railroad tunnel. It is there that the members barge in on a mysterious inhabitant of the tunnel. A man who will eventually play a crucial role in Augie's life for years to come. Of course, Dottie Mae is again an obstacle in Augie's path, as is Pig's wife, Mrs. Reardon, who unexpectedly becomes Augie's substitute fourth-grade teacher. Meanwhile, Hans, Augie's father, vows never to have anything more to do with baseball after he loses a bet to his brother, Cal, on the 1919 World Series, which Hans refused to believe could...
