Bantam Classics. Paperback. Book Condition: New. Mass Market Paperback. 943 pages. Dimensions: 6.7in. x 4.2in. x 1.5in. From Americas call for a free press to its embrace of the capitalist system, Democracy in America--first published in 1835--enlightens, entertains, and endures as a brilliant study of our national government and character. Philosopher John Stuart Mill called it among the most remarkable productions of our time. Woodrow Wilson wrote that de Tocquevilles ability to illuminate the actual workings of American democracy was possibly without rival. For todays readers, de Tocquevilles concern about the effect of majority rule on the rights of individuals remains deeply meaningful. His shrewd observations about the almost royal prerogatives of the president and the need for virtue in elected officials are particularly prophetic. His profound insights into the great rewards and responsibilities of democratic government are words every American needs to read, contemplate, and remember. From Americas call for a free press to its embrace of the capitalist system Democracy in America enlightens, entertains, and endures as a brilliant study of our national government and character. De Toquevilles concern about the effect of majority rule on the rights of individuals remains deeply meaningful. His insights into the great rewards and responsibilities of democratic government are words every American needs to read, contemplate, and remember. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Mass Market Paperback.
