Soon after, a woman's body is discovered, stabbed to death, with her own baby missing. It looks as if Marla has done something truly terrible. But while the evidence seems overwhelming, David just can't believe that his cousin is a murderer. In which case, who did kill Rosemary Gaynor? Why did they then take her baby and give it to Marla? It's up to David to find out what really happened, but he soon discovers that the truth could be worse than he ever imagined . book.
