Ballard, Ben Marcus, A terrifying vision of the future from one of the twentieth century's most renowned writers - J. G. Ballard, author of 'Empire of the Sun' and 'Crash'. Following the energy crisis of the late twentieth-century America has been abandoned. Now, a century later, an expedition from Europe returns to the deserted continent. But America is unrecognisable - the Bering Strait has been dammed and the whole continent has become a desert, populated by isolated natives and the bizarre remnants of a disintegrated culture. They will uncover a shocking new power in the heart of Las Vegas in this unique vision of our world transformed. This edition is part of a new commemorative series of Ballard's works, featuring introductions from a number of his admirers (including Ned Beaman, Ali Smith, Neil Gaiman and Martin Amis) and brand-new cover designs.
