Brand New Book ***** Print on Demand *****.Forget writing for the thrill of seeing your name in print, or worse yet, for the exposure. Freelancers should be paid-and paid well-for their work. If you dream of making a good full-time living or a second income as a freelancer, you need more than writing ability. You need a businesslike mindset, the ability to locate and pitch lucrative markets, efficient work habits, and solid relationships with people in your industry. During the author s first year of fulltime freelancing, she only made \$17,000. But by her sixth year, she cracked the six-figure mark. After interviewing dozens of other six-figure freelancers, the author first published Six-Figure Freelancing: The Writer s Guide to Making More Money in 2005. Now the book s been revised and updated for its second edition. Six-Figure Freelancing will show you how to: Take a business-like approach to your freelance career; Negotiate more writer-friendly contracts with editors and clients; Identify lucrative freelance markets; Pursue book projects; Create your own writing templates; Work more efficiently; Create and maintain relationships with clients and colleagues; Set short- and long-term goals; Use social media to enhance your business and attract clients; Branch into lucrative new freelance areas; and Sustain a successful long-term career.
