Tuttle Shokai Inc, Japan, 2011. Paperback. Book Condition: New. Original ed.. 188 x 127 mm. Language: English . Brand New Book. This book is a user friendly language guide for basic spoken Japanese. To effectively learn Japanese and communicate in another culture you need more than the bare bones of the language. You need to understand the given norms of that society, how people interact, how things work, what the system is, how to navigate and manipulate those systems in short, how to use the language in context. More than a Japanese phrase book, Conversational Japanese provides basic material for practical day-to-day communication. Through hundreds of example sentences and dialogs, as well as thorough explanations of the customs involved, learners will know what to say and do when: Meeting new people. Reserving a hotel room. Buying a train ticket. Offering a gift. Writing emails, business letters, cards and thank-you notes. This book aims to prepare you for situations you are likely to find yourself in if you go to Japan to visit or to work. The Japanese language is kept simple and clear and strikes a balance between Japanese textbook language and colloquial Japanese language. Real life Japanese conversations are untidy and elliptical. Unlike most language books, Conversational Japanese does not restrict the use of kanji (Chinese characters), and the sentences are written in the usual Japanese combination of kana (hiragana and katakana) and kanji....
