Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

CHOSEN

Ace Books, United States, 2013. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. THE NEW ALEX VERUS NOVEL I don t publicly advertise that I m a mage, but I don t exactly hide it either, and one of the odd things I ve learnt over the years is just how much you can get away with if you re blatant enough. Hide something behind smoke and mirrors and make people work to find it, and they ll tear the place down looking for what s there. Alex Verus is a diviner who can see probable futures a talent that s gotten him out of many a tough scrape. But this time, he may be in over his head. Alex was once apprenticed to a Dark mage, and in his service he did a lot of things he isn t proud of. As rumors swirl that his old master is coming back, Alex comes face to face with his misdeeds in the form of a young adept whose only goal is to get revenge. Alex has changed his life for the better, but he s afraid of what his friends including his apprentice, Luna will think of his past. But if they re going to put themselves at risk, they need to know exactly what kind of man they re fighting for.
