NUMEROLOGY: AN INTRODUCTION TO NUMEROLOGY

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Numerology is fun, easy and scientifically based, yet requires no psychic skills or great mathematical talents to understand. This concise but comprehensive introduction to the ancient art of numerology gives the absolute beginner all the information needed to understand the significance of numbers in their everyday lives. It explains the different systems and gives detailed meanings of the Life, Name, Expression, Heart, Destiny and Fadic numbers, with examples and exercise to help understanding. The final chapters suggest ways of using numerology to look at both the present and the future and show how to gauge compatibilities between people - especially useful business dealings as well as in personal relationships.
