*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

This book contains a story of a young man, Tom, who had a second and a third conversation with Guru Harry. These are continuations of their first conversation which is contained in the book Wisdom on How to Live Life. Guru Harry epitomizes someone from a spiritual society who offers a way of living which can lead to peace, love, joy and harmony. Through these conversations, Tom learnt that (1) how to find out our interest and mission in life, (2) why meditation is important, (3) what we have left after losing everything, (4) why it is better to believe that people die at a time of their own choosing, (5) what we should do after becoming enlightened, (6) what life is like without a body, (7) which concept of God is more empowering, (8) what is the real power of believing we are divine, (9) why it is important to believe that God and I are one, and (10) why we should transform Earth into heaven.
