Rainbow Tree Media, United States, 2014. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the book I wish I could have read when I was younger. It would have saved me so much pain and suffering. I hope that it heals existing problems and prevents future suffering for millions of people. From the Back Cover We all want to look and feel youthful, with the vitality that only total health can provide. The purpose of this book is to reinvent the field of healthcare, not only to restore health, but to restore inner and outer beauty, mental acuity, and emotional balance. It introduces a new multi-disciplinary approach that goes beyond what doctors, hospitals, pharmaceuticals, and healthcare specialists currently offer. We can reduce human suffering and healthcare costs by 90-95 . Allopathic healthcare is remarkable in the case of accidents, emergencies, and reconstructive surgery, but for degenerative and lifestyle diseases, it has proven ineffective. It has failed because doctors are being asked to do the impossible. They cannot make your decisions about what you eat, what you think, what you feel, what you do, what you believe, or what you know. These are what determine your health and restore your beauty, joy, and vitality. This book will help you make the best decisions for your health. It provides powerful techniques and tools to make total health possible. It is not just a book, it s a manual and workbook to empower you to take charge of your own health. The premise is that humans are designed to be self healing, and we heal easily with the right natural resources. It addresses healthcare on all five levels, 1) physical, 2) bio-energetic, 3) mental, 4) emotional, and 5) the field of...
