Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

2003. Hardcover. Book Condition: New. 290 This book is an humble adventure in explaining the core contents of the Bhagavad Gita to commonplace but curious admirers. Authors aim is not to compete with the scholarly works on Gita but to present a pragmatic view to those who as beginners are eager to acquaint themselves with this great book with a desire to learn the basic tenets of Indian philosophy and its ethics. Since the Gita philosophy is nowadays becoming strange to our own people, it can be safely presumed that this humble trial will also be useful to them, especially to Indian youth who have lost their identity in the present day turmoil.
