Origami Step by Step

By Robert Harbin

Dover Publications Inc., United States, 1998. Paperback. Book Condition: New. New edition. 272 x 206 mm. Language: English . Brand New Book. This easy-to-follow guide contains all the information paperfolders need to create inspired origami models from learning basic folds to successfully completing a rich assortment of intricate figures. Readers will find hundreds of detailed, step-by-step diagrams and illustrations of finished paper art that will enable even beginners to fashion such simple objects as a flower, a Japanese box, and a church. Experienced paperfolders can hone their skills on such challenging projects as a squirrel on a log, birds in a nest, and a full-masted sailing ship. Among the projects is a selection of wonderfully constructed figures by origamist Patricia Crawford that will test the abilities of even the most competent paperfolders. In all, over 30 entertaining and inventive projects including a mermaid, a kangaroo, a film star, a stalking cat, a unicorn, a tetrahedron, and more will delight origami fans of all ages and abilities. Once basic folds and methods have been mastered, folders can attempt original models on their own with ease.
