Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The discussion draft concluded that EPA should recover all costs incurred (\$1,192,500) under the grant. Both the NCREDC and Region 4 disagreed with the discussion draft findings. In its September 11, 2009, response, the NCREDC stated that the findings resulted from a misunderstanding about the manner in which costs were allocated to multiple funding sources, and from differences in its interpretations of regulations regarding federal grant administration. The NCREDC believes it spent EPA funds in an appropriate manner on a project of significance for the people of North Carolina. At the time of the initial grant award, Region 4 was notified of the various funding sources and the estimated total costs of the Water 2030 Initiative. Region 4 recognized that the original grant application described the project as North Carolina Water 2030 and that Grant No. X96418405 should have been awarded to include all funds associated with the complete project, including state funding sources. The region believes that the grant should have been awarded to include all funds associated with the complete project, reflecting the entire cost of...
