HELPING CHILDREN LEARN MATHEMATICS

National Academies Press. Paperback. Book Condition: new. BRAND NEW, Helping Children Learn Mathematics, Mathematics Learning Study Committee, Center for Education, Division of Behavioral and Social Sciences and Education, National Research Council, National Academy of Sciences, Results from national and international assessments indicate that school children in the United States are not learning mathematics well enough. Many students cannot correctly apply computational algorithms to solve problems. Their understanding and use of decimals and fractions are especially weak. Indeed, helping all children...
