Natural Disasters Through Infographics

By Nadia Higgins

Lerner Publishing Group, United States, 2015. Paperback. Book Condition: New. 224 x 165 mm. Language: English . Brand New Book. The facts about natural disasters are so big and devastating they could make your head explode! You hear about huge costs (like the \$360,000,000,000 in damage caused by the 2011 tsunami in Japan), huge speeds (the fastest-moving tsunami waves have been recorded at 500 miles per hour), and even huger mysteries (where, exactly, the danger zones are for natural disasters). How can all these big numbers and concepts make more sense? Infographics! The charts, maps, and illustrations in this book tell a visual story to help you better understand key concepts about natural disasters. Crack open this book to explore mind-boggling questions such as: How can scientists accurately predict natural disasters? What were some of Earth's biggest, freakiest, and deadliest disasters? How can you protect yourself in the event of a volcano, an earthquake, or a tsunami? The answers are sure to shake you up!

Reviews

A top quality ebook and the typeface used was interesting to learn. This can be for all who state that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be the finest book for at any time.

This publication will not be straightforward to begin on studying but quite fun to see. It really is basic but shocks in the fifty percent of the ebook. I realized this ebook from my dad and i advised this pdf to learn.
