

50 English Phrases

By Susan Martineau, Leighton Noyes

b small publishing limited. Paperback. Book Condition: new. BRAND NEW, 50 English Phrases, Susan Martineau, Leighton Noyes, This is a fun and easy way to learn 50 important phrases in the English language. A simple, colorful game or activity practices two or three phrases at a time. They cover all the important themes including greetings, colors, numbers, family, likes and dislikes. There is extra vocabulary and a simple pronunciation guide to help with each activity and the activities are not write-in, so the books can also be for library use. They also have a summary of the 50 phrases, two-way vocabulary lists, the letters of the alphabet and the numbers to 100 and answers. It features colorful games to make learning simple and fun. There are more useful titles helping to deliver the UK government's language strategy for young learners and for ELT in the UK and round the world.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
