*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Barefaced Lies and Boogie-Woogie Boasts, Jools Holland, Harriet Vyrer, Jools Holland has had a fascinating life. From playing on bomb sites as a boy in the East End, to skiving off school and then selling millions of records with Squeeze, the first twenty years of his life were eventful, chaotic and colourful. Then came The Tube with Paula Yates, the seminal live music programme that propelled him to fame. Over the following three decades, Jools succeeded in placing himself at the epicentre of a global community comprising just about anybody who is anybody in music. Through Later with Jools Holland, the longest-running music programme on television, he has given British TV debuts to countless now world famous bands. Packed with hilarious anecdotes written in Holland's own inimitable style and laced with quirky insights and deliciously acute detail, this autobiography by one of Britain's most gifted and debonaire musicians is not just for music fans, but for anyone who is looking for something several cuts above the conventional showbiz memoir.
