Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Tor Books. Paperback. Book Condition: new. BRAND NEW, Article 5, Kristen Simmons, New York, Los Angeles, and Washington, D.C., have been abandoned. The Bill of Rights has been revoked and replaced with the Moral Statutes. There are no more police - instead, there are soldiers. There are no more fines for bad behaviour - instead, there are arrests, trials, and maybe worse. People who get arrested usually don't come back. Seventeen-year-old Ember Miller is old enough to remember that things weren't always this way. Living with her rebellious single mother, it's hard for her to forget that people weren't always arrested for reading the wrong books or staying out after dark. That life in the United States used to be different. Ember has perfected the art of keeping a low profile. She knows how to get the things she needs, like food stamps and hand-me-down clothes, and how to pass the random home inspections by the military. Her life is as close to peaceful as circumstances allow. That is, until her mother is arrested for noncompliance with "Article 5" of the Moral Statutes. And one of the arresting officers is none other than Chase Jennings, the only boy Ember has ever loved.
