Leap of Faith

By Noel Stephen Evans

Arthur H. Stockwell Ltd, United Kingdom, 2012. Paperback.
 Book Condition: New. 210 x 135 mm. Language: English . Brand New Book. I decided on the title Leap of Faith after the poems had actually been written. I was searching for a suitable title - something that links the poems together, and something that gives a clear impression of what I am trying to portray in my work. The principal theme of the book is my relationship with Joanne and having the confidence and trust to fall in love again. I hope that everybody who reads this book will have their own leap of faith, and that it will give them the inspiration to reach for and fulfil their own personal dreams and desires. Noel Stephen Evans.
