Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Ok, I just totally ignored my crying kid because I was so engrossed in your stories. Thanks for sharing. Seriously. Not only do I love your Uber stories, but I admire the intricate details you remember to post. I wish I could say my job was as interesting as yours. This book is written by a rideshare driver from the Tampa Bay Area in Florida. It is a shared journal between the author and reader. Each page has a short story at the top about one of the author s driving experiences. The rest of the page is left blank for the reader to free-write any thoughts that come to mind. Live vicariously through the author s tales. The material is appropriate for ages 18 and up. This journal makes a great gift. It can be given as a birthday present, Christmas gift, New Year s gift, or just a treat for yourself. SAMPLE STORY I pick up a group of three who want to go to Jackson s Bistro in Tampa. The guy in the backseat tells me he has been growing out his beard because ever since he was a child he has wanted to play Jesus in his church s play, and he really hopes to get the part this year. He says he gets high almost every day, but the day...
