TAKE IT TO YOUR SEAT MATH CENTERS, GRADE 4

Evan-Moor Educational Publishers. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 10.8in. x 8.4in. x 0.5in. Help your fourth graders master key math skills, and provide differentiated math practice through fun, hands-on activities in these 12 centers. Each full-color center focuses on a skill from a Common Core State Standards math domain, such as numbers and counting, operations, measurement and data, geometry, and math vocabulary. The easy-to-assemble centers are stored in pocket folders, making them easy to use at a table, desk, or quiet area in the classroom. After a teacher or classroom aide models how to use a center, students can complete the activity independently, in pairs, or with the teacher, who may use the task to informally assess a student's understanding. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
