Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Juliet Mertz)

CONFESSIONS OF THE MINER S CANARY

Createspace, United States, 2014. Paperback. Book Condition: New. Holly White-Gehrt (illustrator). Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Confessions of the Miner s Canary is an autobiographical account of one young man s struggle to find a place in society, given his specific learning difficulties and co-morbid psycho-motor impairments. Moreover, it is a memoir that aims to make a statement about society s structures and institutions. In this way, the authorship of this book accords with a popular motto in the field of disability studies, which states nothing about us, without us. In accordance with the social model of disability, author Allan White utilizes a combination of autobiography and reflective scholarship to highlight the many disabling barriers he has encountered, making his way in society. The author further illustrates how neurodiverse adults have come to represent a new sector of disability in our current neoliberal global capitalist age. It is the author s intent to not only raise awareness of neurodiversity, but to promote a fundamentally different paradigm on the matter-a paradigm grounded in social interpretations of disability, which seek not only to combat the marginalization of the disabled, but also create a more humane and civilized society for the benefit of all. As such, the plight of the neurodiverse is an issue that should concern all of humanity. Hence it is the author s contention that discourse on neurodiversity should emphasize systemic social reforms, aimed at remove disabling barriers in society. In the final analysis, Mr.White argues that an unconditional basic income could potentially be an effective catalyst to promote niche construction and self determination among neurodiverse adults. In this way, such a policy may well be the most critical initial step toward achieving a neurodiverse friendly culture and...
